# ON THE ROAD AGAIN

## OUR REGION'S LOVE AND SUPPORT OF THE AUTO INDUSTRY

*Photo courtesy of Red Horse Motoring Club*

### Automotive Industry in Boyertown

- Tung Sol arrived in Boyertown in 1945. The company was making fuses for WWII but the war ended. They were so happy with the warm welcome they received when moving to Boyertown, they decided to maintain the plant they had and use it for the company's headlamp production operation. This operation made Boyertown the Headlamp Capital of America.
- In December of 1965 the Boyertown Museum of Historic Vehicles opened its doors. The Museum is a showcase of the impact that Berks County and Southeast PA have made on the transportation industry.
- During Boyertown's Centennial Celebration in 1966, the first Duryea Day was held. The event is an antique and classic car show named after the Berks County automaker Charles E. Duryea.
- Today the Boyertown Museum of Historic Vehicles and the Duryea Day event are tourist attractions that continue to bring people to the Boyertown area.

### Boyertown Auto Works

- December 1872, Jeremiah Sweinhart announced he had started a business making carriages, buggies, and sleighs.
- Between 1906 and 1910, Sweinhart electrified the carriage works. The factory was operating with electric lighting and two electric motors to power the lines operating the machinery.
- The Carriage Works became the Boyertown Auto Body Works in 1926 and became one of the first and largest builders of delivery truck bodies in the world. In 1942 the Auto Body Works modified a Ford sedan delivery car, cutting it in half, expanding it, and rebuilding it to create the first ambulance for Lions Community Ambulance Service in Boyertown.
- The Body Works closed its doors in 1990.

### Pottstown Car Companies

Car-oriented industries thrived in Pottstown as well. A few of the various companies that once called Pottstown home range from automobiles to automobile parts.

- In the late 1880's the Light Cycle Company was established in Pottstown by William I. Grubb to meet the demand for bicycles. The company built "horseless carriages" in the first years of the century. The Light

Manufacturing and Foundry Company eventually moved into the production of automobile gears and airplane parts. Eventually, they took over the plant of the Chadwick Engineering Company.

- Chadwick Engineering Company – the Chadwick automobile was an early American car built in Pottstown shortly after the turn of the century and the company, which was originally famous for racing cars, made a closed body style car that sold for \$6500.
- Mr. George C. Lee founded United States Axle in Pottstown in 1919. Mr. Lee was a friend of Charles E. Duryea who came to Pottstown in 1919 to form the Direct Drive Motor Company – producer of the Champion automobile until 1927.
- For a number of years the United States Axle Company produced front and rear axles, and were the first in America to build front-wheel brake axles. Today, the company produces precision axles, shafts, and cylinders for industrial original equipment manufacturers.
- In 1902 Clarence Winfred Spicer made his dream come true: he found a more efficient way to transfer automotive power to the wheels that moved a car, and the Spicer Universal Joint was born. The Spicer Manufacturing Company originally located in Pottstown in 1919. Production started in February of 1920. In 1939 Charles A. Dana became interested in the company and in 1946 the organization's name was changed to the Dana Corporation. The plant is still located on the site of what was originally the Old Chadwick Engineering Company.
- 1923 saw the arrival of Neapco Products, Inc. Originally, the company D.K. Bullens Co., was manufacturing and working on heat treatment of permanent magnets for the radio industry. In 1928 the company purchased the New England Auto Products Corporation and that company's production equipment was moved to Pottstown. After this merger the company began to manufacture automotive universal joints and parts.
- In addition to the multiple companies that were involved in the automotive industry in the Pottstown community, the wide streets of Downtown Pottstown made the area a destination for weekend "cruising."
- Several businesses, supporting the auto industry in various ways, call Pottstown home.

# SHIFTING GEARS CHAMBER FOCUS 2019

**NEW Vision** - Leveraging the power of membership to grow and strengthen our community, our businesses, and our future leaders.

## Why Join a Chamber? Because You Want... PEACE of Mind

- **Problem Solving** – We are a resource for solving challenges and needs our members may have.
- **Education** – Multiple training options for developing employees at any level.
- **Advocacy** – We work to inform, educate, and advocate on your behalf! Gain a voice in what happens through our Chamber’s advocacy efforts.
- **Connections** – Plenty of networking opportunities to build relationships and grow your business.
- **Exposure** – Stand out and be noticed as an active Member of your community and increased exposure through our publications and directories.

### Because you want to...

#### Advocate for the Region.

Provide pro-business leadership to enhance economic opportunity and quality of life in the tri-county region through strategic partnerships. Contribute to the Chamber realizing its Vision (see callout box in top right!)

### Because you want to...

#### Build relationships.

Designed for business professionals and entrepreneurs looking for connections which lead to business growth. Help us expand the Chamber in its role as a premier organization for connecting people, business organizations, government, and strategic partners.

### Because you want to...

#### Grow and Succeed by utilizing the many options offered by the Chamber.

Make the business community even stronger and be a resource for business and consumers. Aid the Chamber in establishing our organization as a means to enhance all businesses in the tri-county region.

Serving Southeastern Berks, Western Montgomery, and Northern Chester Counties and the Rt. 422 Corridor  
Supporting over 450 Members • Supporting their 20,000 Employees  
Supporting a tri-county community of over 250,000 residents

# KEEP YOUR ENGINE RUNNING HEALTH

PAHWF and VFTCB staff and Montgomery County Commissioner Joe Gale, presenting the beneficiaries of the inaugural Valley Forge Invitational with the \$17,500 proceeds of the tournament.

*Access to quality health care is a key component to a truly livable community. The tri-county area is a well-oiled machine, full of family physicians, orthopedic specialists, surgeons and rehabilitation, nursing and assisted living facilities. There are also several non-profit organizations in the region that are dedicated to creating awareness and education on health issues. These organizations include:*

## Pottstown Area Health & Wellness Foundation (PAHWF) – “We Fit Together”

**Mission:** *enhance the health and wellness of area residents, providing education, funding and programs that motivate people to adopt healthy lifestyles.*

In 2018, Pottstown Area Health & Wellness Foundation celebrated 15 years of grantmaking! The organization has set forth to inspire the community to make healthier choices via grants to local schools, parks and area non-profit organizations over the past 15 years. To commemorate this milestone, PAHWF chose the slogan “We Fit Together,” to recognize the unity of the Foundation, our grantees, and the surrounding communities.

This anniversary is bigger than PAHWF, because it shines a spotlight on the impact their grantees have made and continue to make daily in

Trophy/banner presentation at the end of the 2018 Wellness Checklist Challenge - West Vincent Elementary School of Owen J. Roberts School District.

the communities they serve. Grantmaking priority areas focus on healthy behaviors in schools, parks and networks, health access, strengthening nonprofits and building capacity for community economic development. A few accomplishments include:

- Healthy Bodies Health Minds Institute
- PEAK Initiative
- Grand Opening of Community Health & Dental Care’s new location

In May 2018, the Foundation partnered with the LPGA Symetra Tour’s Valley Forge Invitational. The event raised a collective \$17,500, split evenly among three of the Foundation’s grantees.

For more information, visit [www.pottstownfoundation.org](http://www.pottstownfoundation.org)

## Community Health and Dental Care

Community Health and Dental Care (CHDC) opened a new location at the Coventry Mall on August 6, 2018. The space was renovated to become a state of the art medical and dental non-profit health center. The organization, whose mission is to identify gaps in health services and to ensure access to appropriate levels of care for all people in the service area regardless of their ability to pay, first opened in 2008 and treated 39 patients the first week.

The new facility expands to nearly 32,000 square feet and is designed as a medical, dental, vision, fully integrated behavioral health, medical dispensary, Medication Assistance Treatment, OBGYN and Women’s health program. CHDC will also be adding Physical Therapy for their patients and opening a community marketplace within the new space to sublease office space to community organizations that mirror CHDC’s mission.

*continued on page 10*

Community Health & Dental Care was presented with the 2018 Community Impact Award.

CHDC's Ribbon Cutting Ceremony of their new state of the art facilities at 351 West Schuylkill Road in Pottstown!

**Experience the connection that helps you flourish...**

A sampling of our service offerings, across the lifespan:

- Case Management
- Domestic Violence
- Mental Health Counseling
- Intensive Outpatient Program
- Drug and Alcohol Counseling
- Family Based & Wraparound.

Creative Health Services, Inc. provides quality behavioral healthcare designed to empower and promote wellness for individuals, families and communities.

**Creative**

Pottstown, PA 19464

**Contact Us: 484-941-0500**  
**info@creativehs.org**

**www.creativehs.org**

Valley Forge Invitational Junior Golf Clinic

CHDC provides free transportation, to and from appointments, to its over 24,000 registered patients. CHDC will also be opening Dash's Learning Den, where people will have access to 14 computers offering a variety of free training programs.

Finally, CHDC will continue to partner with community organizations to develop a coordination of care within our community. It will utilize the beautiful new space to attract new patients who are insured, underinsured or not insured to receive quality healthcare in a quality atmosphere all in a one-stop shopping experience. With all these services under one roof, clients can make multiple appointments for the same day!

CHDC was presented with the 2018 Community Impact Award at the Chamber's Economic Development Luncheon. This award is presented to an organization that provides a significant and sustaining contribution to the communities that the Chamber serves.

Visit [ch-dc.org](http://ch-dc.org) to learn more.

**Pottstown Hospital Tower Health**

Reading Health System completed the acquisition of five hospitals and their associated assets from subsidiaries of Community Health Systems - with an effective date of October 1, 2017. Tower Health includes Reading Hospital in West Reading; Brandywine Hospital in Coatesville; Chestnut Hill Hospital in Philadelphia; Jennersville Hospital in West Grove; Phoenixville Hospital in Phoenixville; and Pottstown Hospital in Pottstown.

Tower Health includes more than 11,000 employees, and offers strong, regional, integrated healthcare provider/payer system that offers leading-edge, compassionate healthcare and wellness services to a population of 2.5 million patients. Located in Pottstown, Pa., and a member of Tower Health, Pottstown Hospital is a 232-bed hospital, conveniently located off Route 422, at Armand Hammer Blvd. and High St.

The hospital offers a full range of health services, including inpatient and outpatient, medical, surgical, diagnostic and emergency care. The Medical Staff features nearly 300 skilled physicians, offering more than 40 medical specialties.

Pottstown Hospital is accredited by The Joint Commission and has been recognized for its quality outcomes and clinical expertise across many service lines. Its cancer program is nationally recognized. The hospital also is a Primary Stroke Center; Joint Commission-certified for hip and knee replacement; and Heart Failure and Chest Pain certified. Its Emergency Room, which is the second busiest in Montgomery County, sees more than 44,000 patients a year.

# BE THE BRIDGE COMMUNITY

The Leadership Tri-County Class of 2018.

The 2018 Economic Development award was presented to Chester County Economic Development Council and the Chester County Planning Commission for their work on the Route 724 Opportunities Map.

## PROBLEMS BECOME OPPORTUNITIES WHEN THE RIGHT PEOPLE JOIN TOGETHER

### OUR COMMUNITIES WORKING TOGETHER

#### Leadership Tri-County

- Jennifer O'Donnell, IOM, was named Leadership Tri-County Director in July 2018 – the first time the program has had a dedicated full-time director.
- Over 200 community members have participated in the program - Members make a demonstrated commitment to leadership in both their community and their place of employment.
- In over 25 years of the program, approximately 65 projects have been completed on behalf of a local nonprofit organization.
- Over 100 local nonprofits benefited from receiving informed and trained individuals to serve on their board of directors.

For more information on the Leadership Tri-County Program – contact Jennifer at 610.326.2900. or visit [leadershiptricity.com/wixsite.com/leadershiptri-county](http://leadershiptricity.com/wixsite.com/leadershiptri-county)

#### Amazing Raise

In early winter of 2017, the TriCounty Community Network set forward a goal of helping local nonprofit organizations increase their fundraising and organizational awareness through a regional one day giving campaign. The result was a movement the organization named The Amazing Raise. The idea was to provide local nonprofit organizations with the opportunity to raise funds, both online and in person, with the promise of a proportional funding match based on the amount raised.

The Amazing Raise is a 24-hour giving challenge that brings together the Tri-County region's (Montgomery, Northern Chester, Eastern Berks) nonprofit community to help raise much needed unrestricted funds and shine a spotlight on the work nonprofits do to make the 422 corridor a better

place to live and work!

- 2017 Totals: Over \$100,000 was donated, shattering the goal of \$50,000
- 2018 Totals: Over \$335,000 was donated to 39 local organizations on October 16.
- 2019 Date - October 15, 2019

More information can be found at [www.amazingraisetricounty.org](http://www.amazingraisetricounty.org)

#### Route 724 Initiative

In May of 2017, the Rt. 724 Corridor Initiative Committee was revisited by the Chester County Economic Development Council (CCEDC), in partnership with the TriCounty Area Chamber of Commerce, and the Chester County Planning Commission. The purpose was to bring together current stakeholders to focus on economic development opportunities, marketing the regional trail system, and balancing open space along the Route 724 corridor and its surrounding commercial region.

The Route 724 Opportunity Sites map is an interactive map that the Chester County Planning Commission created in collaboration with CCEDC and 7 participating municipalities. The map highlights, markets, and raises awareness of priority sites with development interest along the 12-mile corridor to help cultivate jobs and enhance regional employment and growth in the area. The map is accessible on the Chamber's website – [www.tricityareachamber.com](http://www.tricityareachamber.com) and the CCEDC's website – [ccedcpa.com](http://ccedcpa.com).

The Chester County Economic Development Council and the Chester County Planning Commission were presented with the 2018 Regional Planning Award at the Chamber's Economic Development Luncheon. This award is presented to an organization that develops and implements a multi-organizational plan that fosters smart growth.

CEDARVILLE Engineering's new office space.

A ribbon cutting ceremony was held for CEDARVILLE Engineering in July 2018.

### Ribbon Cuttings

Welcoming new businesses to the tri-county area is part of the Chamber's Supporting Commerce focus. Businesses do not have to be a member in order for the Chamber to host a ribbon cutting at their locations. The Chamber provides this service to create a bridge between the business and the community they are joining. Ribbon cuttings can be for a new business, a grand re-opening, a new product and celebrating renovations or additions to a business.

## ECONOMIC DEVELOPMENT

### CEDARVILLE Engineering Group, LLC

April Barkasi started her company in March of 2010. The company that started with four people, now employs over 35 and anticipates growing to 50 employees within the next two years.

The staff at CEDARVILLE moved into the 5th floor of the BB&T building at 159 East High Street in June of 2018. This move merged three different company locations, centralized the team and provided easy access to Rt. 422 and a variety of quality of life features to attract and retain top talent.

That move did not happen until after extensive renovations took place to office space that had not been occupied for years. There was asbestos remediation, fixing broken pipes, replacing ceilings, removing wallpaper, modifying the layout of the space, and refurbishing an elevator.

CEDARVILLE specializes in federal contracts as well as municipal, state, construction, and regulatory specialties and is certified by the federal government as a "woman-owned business."

CEDARVILLE was presented with the Economic Development Award at the 2018 Economic Development Luncheon. This award is presented to a project that provides quality land use improvement, generates economic benefits for the community, and/or has the potential for creating new jobs.

Members of the Limerick Township Fire Department.

### Limerick Township

Limerick Township recently developed a business strategy with a pro-business philosophy that has guided its actions for several years. The plan focuses on:

1. Improving efficiencies and reducing costs without a reduction in the level of services;
2. Seeking alternative non-tax revenues to lessen the tax burden of existing residents;
3. Instituting long-range planning to properly position Limerick for the next phase of growth.

The Board of Supervisors also recognized the increasing calls for service burdening the townships public safety departments.

- To ensure a high level of service within their Police Department, ten additional police officers have been added to the department, which now stands at 30 sworn officers.
- An increased cooperative effort with both independent fire companies has grown into Township support for a \$15-million-dollar long-term capital program. The positive relationship with their fire service volunteers has set in place a mutually agreed upon process which will result in the consolidation of both fire organizations in 2019.
- The Board also set forth a long-range capital improvement plan which has resulted in the construction of new facilities for the police, public works, and fire company, all of which are projected to meet their needs for the next 30-years.

In addition to working with the business community to ensure responsible growth and jobs and services for residents, the lower-than-average tax rates make the township an attractive location for business. The steady growth of the non-residential sector that has taken place over the past decade and new jobs and services that have come into Limerick, illustrates the success of their long-term objective.

The Limerick Board of Supervisors received the Legislator Award at the 2018 Economic Development Luncheon. This award is presented to an elected official or elected body for their leadership in helping to create and/or support a pro-business environment.

For more information, visit [www.limerickpa.org](http://www.limerickpa.org)

### Pottstown Area Industrial Development, Inc. (PAID)

Pottstown Area Industrial Development, Inc. was formed in 1965 to help stimulate commercial and industrial development in Pottstown.

#### I Pick Pottstown – A Vehicle to Tell the Story

- The issue for business leaders and stakeholders in the Borough of Pottstown was not that there was lack of economic growth, while still a need for more, it was the fact that we were talking among ourselves about all the momentum that we saw. We needed to expand our message to the outside world to encourage other businesses to join in that momentum. So, in the spring of 2017, an RFP for pro bono marketing strategy work was put out and Todd Palmer of VFC (formerly Virtual Farm Creative) answered the call. He presented the idea of using “I Pick

Pottstown, Pioneers of the Good Life” as a tag line along with an overview of how the group might tell our story. Several of the leaders present at that meeting stepped up, without hesitation, and agreed to provide seed money to fund the launch of the campaign. It was decided PAID should coordinate the effort and would serve as the fiscal agent.

For more information, visit [ipickpottstown.com](http://ipickpottstown.com)

#### Qualified Opportunity Zones (QOZ)

- The federal tax bill passed at the end of December 2017 enables the governor to designate certain census tracts as Opportunity Zones. Investments made by individuals through special funds in these zones would be allowed to defer or eliminate federal taxes on capital gains. The governor was given the opportunity to designate up to 25 percent of census tracts that either have poverty rates of at least 20 percent or median family incomes of no more than 80 percent of statewide or metropolitan area family income.
- Through PAID’s efforts, Pottstown has three designated QOZ’s.

#### Keystone Employment and Economic Plan

- This specific plan provides a vision of what is possible for redevelopment of the Keystone Boulevard corridor in Pottstown Borough and West Pottsgrove Township. The plan creates a development concept that is endorsed by the governing bodies of the two municipalities. This concept is described and illustrated, and is followed by recommendations for implementation, including principles for development, to be incorporated into a subsequent zoning amendment.

For more information, visit [www.paidinc.org](http://www.paidinc.org)

The I Pick Pottstown Campaign launched in October 2017

### Building a Better Boyertown (BBB)

In 2017, BBB was awarded \$1 million in grants from the BB&T Economic Growth Fund (created after National Penn Bank merged with BB&T). In addition, BB&T offered to match \$500,000 in challenge grants.

The grants will support the downtown revitalization project – the Boyertown Vision & Action Plan which includes:

- Restoration of center for the tourist excursion Colebrookdale Railroad
- Construction of a tourism office and website
- Development of a business recruitment package
- Hiring a destination consultant and additional staff

For more information, visit [boyertownpa.org](http://boyertownpa.org)

### Workforce Development: The TriCounty Area Chamber of Commerce Connects Workers with Employers.

The Chamber provides a resumé service to connect job seekers with Chamber Member employers.

The objectives of submitted resumés are:

- Included in the Chamber’s monthly newsmagazine
- Shared at the bi-monthly Chamber Membership Breakfast
- In addition, resumés remain on file at the Chamber, and employers can contact the Chamber office to request a copy of relevant resumés.
- Chamber Member employers are also invited to come into our office to review the complete resumé file any time they are seeking to fill an opening.
- Chamber Members can post their company’s job openings on the Chamber website.

Individuals looking for employment can visit [business.tricountyareachamber.com/jobs](http://business.tricountyareachamber.com/jobs) for a current list of openings in the Tri-County region.

## A Lifetime of Financial Benefits

Tri County Area Federal Credit Union has been providing affordable financial services to our community since 1949 and offers members a lifetime of benefits.

- Personal Savings and Checking Accounts
- Low-rate Auto, Home and Personal Loans
- Business Accounts, Loans and much more

## LOCAL IS a church

ST. JOHN'S LUTHERAN CHURCH  
Pastor Bob Machamer

## LOOKING OUT for the disabled.

Local is powerful. When Pastor Bob Machamer broke his leg, he experienced a great blessing. “It made me aware of the obstacles that our physically challenged church members had to navigate,” he says. That led to plans for a \$1.4 million church renovation.

After interviewing several banks, the church chose Tompkins VIST Bank for their construction loan. “They offered us a highly competitive rate, and face-to-face guidance,” Bob says. “Our church is invested in Boyertown. And so is Tompkins.”
