

Want:

- Access to the experiences of other professional women to find solutions for your business
- Insight into other's successes and achievements
- To provide opportunities to share ideas, challenges, successes, and solutions with others at the professional level
- To receive, provide, and benefit from the value of concern, competence, support, and confidentiality among peers
- Brainstorm with other professionals to gain different perspectives

Join Now!

Join us if you are an:

- Individual with responsibility for the direction of the company
- A business professional focused on the continued growth of their company
- A community champion with demonstrated experience in board service and community support
- A business professional who wants to connect with other professionals with businesses located in the tri-county region

How the program works:

- Professionals will be matched with others from noncompeting companies with similar volume of sales, number of employees, experience levels and community engagement
- Each Power Hour meets monthly to cover various issues such as growth management, self-knowledge, strategic planning, value driven leadership- all topics will be agreed upon by the group
- Power Hour provides an opportunity to share ideas, challenges, successes, and solutions with other professionals
- Maintains confidentiality concerning all information exchanged in connection with Power Hour
- Requires a commitment to allocating time to participate and to the achievement of an effective, functional, and mutually beneficial group
- Requires a financial commitment – Investment of \$500 per year (includes registration for 4 REACH luncheons)
